City Accepting Credit Card Payment for Water Bills

Wylie, TX – The City of Wylie is now accepting credit and debit card payment for water bills.

At this time, there are a few stipulations regarding credit card payments:

- Payments can only be made in person at the Utility Billing office, 2000 Hwy 78 North.
- Payments are limited to VISA and MasterCard. American Express and Discover are not accepted.
- There is a \$3 convenience fee for a credit or debit card payment.

Within the next six to eight weeks, the City plans to make the credit and debit card payment option available on-line, which will be coordinated through a secured, third party website.

The City is also working on plans to expand acceptance of credit and debit card payments for municipal court fines, city permits and park and recreation fees.

Currently, residents can also make paying their water bill more convenient by signing up for direct payment through their banking institution. The Direct Payment Authorization Agreement forms are available on the City website (www.wylietexas.gov/Services/WaterSewer) and at the Utility Billing office.

- end -

Incorporated in 1887, the City of Wylie is located just 24 miles from downtown Dallas in Collin, Dallas and Rockwall Counties. Wylie (population 33,000) is one of the fastest growing communities in the State of Texas with a 118% increase since 2000. Possessing an outstanding school district, a low crime rate, an ISO #1 rating and an expanding business climate, Wylie is the ideal place for people looking for a small town environment with easy access to big city amenities.
